

Course Title: Arabic Language Level 3 (Al Ajaroomiyyah) - **TEACHING MEDIUM:** Arabic & English

Course Faculty: Arabic Language

Course Description:

This is an Arabic course covering the classical text in Arabic Grammar: Al Ajaroomiyyah by ibn Ajaroom (d.723h). Al Ajaroomiyyah, is the quintessence of Arabic grammar, its status is largely unchallenged as an excellent introduction to this first field of learning, which every scholar must master before delving into other Arabic literature. Hence, we find much attention has been paid to it amongst Arab scholars over a considerable period of time. Up until now, this text is taught across the world in traditional institutions and is recognised as a key stepping stone to studying detailed grammar.

This course is not designed for beginners, but for students who have already studied at least Arabic Language Level 2 or equivalent and are ready to tackle grammar in an intensive way. It is hoped by the end of the course that the student will be able to understand the basics of grammar and thus be able to deal with more advanced texts in grammar and literature.

Course Overview:

In this course you will learn the following:

- The definition of speech and its components according to Arabic Grammarians
